EDUCATION & CERTIFICATION

Evangel University Akaeze   Aug 2025
B.S. Computer Science

Software Engineer (NIIT India)   June 2022
Certified Software Engineer

ONCAMPUS Coventry (Coventry, United Kingdom)   August 2021
Certified Software Engineer

COURSEWORK

Courses: Object-Oriented Programming, Data Structures & Algorithms, Embedded Systems, Operating Systems, Linear Algebra, Calculus, Physics, Probability & Statistics
Awards: Best Graduating Student

SKILLS

Languages: JavaScript/TypeScript, Python, HTML/CSS, SQL
Frameworks & Libraries: React/Next.js, node/express, Flask/Jinja, SQL/noSQL WordPress/Shopify, Framer-motion,
Tools: REST APIs, Postman, Git/GitHub, Unix Shell, Webpack, VS Code, IntelliJ CLion/PyCharm/IDEA, Atom

PROJECTS

Portfolio Site / *React, Tailwind css, Framer-motion, fullpage-js, Git, Unix Shell, VS Code* Link
- My portfolio website, showing my design and creative side
- Utilized transition tools like react-fullpage and deployment tools like vercel
- Learned how to use animation tools like framer-motion in conjunction with styling tools like Tailwind CSS

NUFL / *React, Tailwind css, Python , Flask, SQLite, Git, Unix Shell, VS Code* Link
- Developed a full-stack web app for managing Nigerian university football league
- Implemented Flask + SQLite backend with React/Tailwind frontent
- Added CRUD features, session login, and auto-updating league tables

LoopStudio Landing Page / *HTML, CSS, JavaScript, media Query, Git, IntelliJ IDEA* Link
- My very first wed development project from Frontend mentor
- Used font awesome and google fonts to design a beautiful and responsive landing page
- Optimized UX: utilized my DOM manipulation skills to make it good user experience and interactivity

EXPERIENCE

Freelance Web Developer   Aug. 2024 — Present
Built and delivered custom full-stack web applications for clients

Superprof / *Tutor*   Nov. 2023 — Present
Provided personalized programming and computer science tutoring
to learners ranging from students to proffesionals

Technical Writing & Documentation / *markdown*   Sep. 2024 – Present
Documenting my tech journey in markdown format on medium.com

HOBBIES

Weight lifting & Competitive Sports   2010 – present
When I'm not working you find me in the gym or basketball court

Debating   2002 – present
I have always participated in school debates all my life
